

WELCOME TO

Geometry

IT'S NOT WHO YOU ARE THAT HOLDS YOU BACK, IT'S WHO YOU THINK YOU'RE NOT.

Special points of interest:

- * You are so lucky to be a part of this learning community because there are 2 geometry teachers! We are both here to help you be successful this year so don't be shy about asking either of us for help!
- * The class website has notes that are filled-in, homework assignments, answers and helpful websites. Don't miss out!
- * If you need extra help, please talk to one of us and we can be available in the morning or after school by appointment.
- * Email us if you need anything!

Get ready for the BEST, most interesting math class! GEOMETRY RULES our lives and the world around us. You are going to learn how to really think and justify your thinking! You are going to get comfortable hearing, asking, and answering the question, "Why?" Get ready to struggle, persevere through it, and learn more about thinking than you ever have before! Get excited about being part of an amazing learning community. You will be learning more than just Geometry, you will be practicing thinking skills that you will use the rest of your life!

YOU ARE A CRITICAL MEMBER OF THIS CLASS.

I expect you to participate in class by: being actively ENGAGED, CONNECTING with ALL students in the class, CHALLENGING yourself, and INSPIRING those around you. Geometry can be a struggle, but investing hard work will pay off! This class will feel different from Algebra, but will need you to incorporate what you learned last year!

Learn to persevere when faced with a struggle!

Policies & Procedures

Each quarter grade will consist of:
 tests: 55%
 quizzes: 35%
 homework: 10%

There are **no retakes** for any tests/quizzes and students are **not allowed to take any tests/quizzes home** with them. The final semester grade consists of 40% Quarter 1, 40% Quarter 2, and 20% for the exam.

This book is not available online!

Please **BE RESPONSIBLE** when you are absent from class. It is up to you to make sure you get caught up on notes and figure out the class-work and homework you missed. Everything is on the class website! If you are absent from class because of sports, please make sure to talk to us before you leave.

Grading Scale

98-100%	A+	77-79%	C+
93-97%	A	73-76%	C
90-92%	A-	70-72%	C-
87-89%	B+	67-69%	D+
83-86%	B	63-66%	D
80-82%	B-	60-62%	D-
		0-59%	E

Make sure you know and understand the behavior matrix!

BIG IDEAS that we are going to study:

Geometric Relationships & Figures

Reasoning & Proof

Transformations

TRIANGLES

Congruence

Similarity

Measurement

Polygons

Coordinate Plane work
