Get ready for the BEST, most interesting math class! GEOMETRY RULES our lives and the world around us. This year you are going to learn how to really think and justify your thinking! You are going to get comfortable hearing, ask-
ing, and answering the question, "Why?" Get ready to struggle, persevere through it, and learn more about thinking than you ever have before! Get excited about being part of an amazing learning community. The best part is that you will be learning more than just Geometry, you will be practicing thinking skills that you will use the rest of your life!

## YOU ARE A CRITICAL MEMBER OF THIS CLASS.

I expect you to participate in class by: being actively ENGAGED, CONNECTING with ALL students in the class, CHALLENGING yourself, and INSPIRING those around you. Geometry can be a struggle, but investing hard work will pay off! This class will feel different from Algebra, but will need you to incorporate what you learned last year!

## Policies \& Procedures

Each quarter grade will consist of: tests: $55 \%$ quizzes: $35 \%$ hw quizzes: $8 \%$ homework: $2 \%$
There are no retakes for any tests/quizzes and you are not allowed to take any tests/quizzes home. The final semester grade consists of $40 \%$ Quarter 1, 40\% Quarter 2, and
